SUBJECT: Recognition and Appreciation of Gilad Maik's Contributions to the Successful construction of the Northern Infantry Training Base, Regavim, Israel

Mr. Gilad Maik
Project & Quality Control Engineer
U. Dori Engineering Works Corp. LTD

Gilad:

I want to take this opportunity to tell you how much I appreciate your contribution to the successful construction of the new \$40 million Northern Infantry Training Base in Regavim, Israel. You have been a valued asset to the U. Dori Quality Control and Construction Team, through managing the expeditious processing of all submittals, RFI's, other contract documents and ensuring quality construction throughout the project the original project and the follow-on project. Your mediating skills have been greatly appreciated in the Partnering efforts that were needed to make these projects a success.

Due to your efforts, calm demeanor and experience, all aspects of administration and construction have improved greatly. You have made an exemplary contribution to the success of the project.

It has been a pleasure working with you and I hope we have the opportunity to work together again. I wish you the best in all your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Darrell Cullins".
